23RD INTERNATIONAL EXHIBITION FOR AIRPORT
EQUIPMENT, TECHNOLOGY, DESIGN & SERVICES

9 - 12 NOVEMBER 2021 | Munich Trade Fair Centre, Germany

OUR INDUSTRY FOCUS

Airport equipment, technology, design and services

At inter airport Europe 2021, you will be able to discover modern solutions for the interconnected airport and get real insights into latest technologies and products. In addition, your participation at the event this year is key to get the latest insights into trends, developments and advancements in the industry. The event has significantly extended the seminar programme this year, covering the following topics: Smart Airports, Greener, Cleaner Airports, Managing Threats and Challenges, Future Airports as well as Operations Efficiency.

OUR EXHIBITORS

Latest innovations directly from the industry

Exhibitors at inter airport Europe cover all areas of airport-related technology, equipment and services, all in one place:

- **interTERMINAL:** solutions and equipment for the construction and operation of terminal buildings, the architectural design, equipment and planning stage of the airport
- **interDATA:** IT solutions for a modern, interactive airport
- **interRAMP:** ground handling, ground support equipment, runway construction and installations

New for 2021: HYBRID EVENT

For the first time, inter airport Europe will take on a new format to become a hybrid event! The new setup will merge the on-site offering with interactive digital networking opportunities. A new matchmaking system will connect visitors to relevant suppliers, allowing them to arrange meetings based on complementary profiles. International visitors who won't be able to attend due to travel restrictions will have the advantage of exploring the latest innovations and services online - on our event website and digital event platform.

YOUR FOUR REASONS TO ATTEND

Reinforce your relationship with existing suppliers and connect with new business partners

Gain access to the broadest range of products and services

Learn about the latest innovations and trends in the airport industry

Interact with exhibitors and other attendees to discover cooperation opportunities
