inter airport europe

The world's leading airport exhibition

interTERMINAL

TERMINAL CONSTRUCTION

TECHNICAL INSTALLATIONS

- **Access technology, doors and control systems**
- **HVAC systems (heating, ventilation, air conditioning)**
- **Washrooms and accessories**
- **Illumination, lighting and sun protection**
- **Communication systems**
- **Safety systems, alarms and fire control**
- **Closed circuit television (CCTV)**
- **Power supplies and cabling**
- **Accessories, fixtures, fittings and replacement parts**
- **Other technical equipment and services**

ARCHITECTURAL & INTERIOR DESIGN

- **Furniture, fittings and accessories**
- **Floor and wall finishings**
- **Fabrics, textures and other materials**

TERMINAL OPERATIONS

- **Signage and guidance systems**
  - Passenger flow, barriers and guidance systems
  - Terminal signage
- **Passenger information technology**
  - Flight Information Displays (FIDS and PIDS) and monitors
  - Public address systems (PA)
- **Security equipment**
  - Baggage screening
  - Cargo screening
  - Passenger screening and biometric systems
- **Baggage handling**
  - Conveyors, belts, castors and other systems and components
  - Baggage protection systems
  - Baggage trolleys and trolley management
  - Baggage drop stations
  - Barcode readers and other peripherals
- **Cargo handling**
  - Loading equipment
  - Stationary cargo systems and components incl. truck loading docks and lift-tables
  - Warehousing and commissioning systems incl. ETV
  - ULDs
  - Pallet and container handlers
  - Weighing scales, platforms and weigh-bridges
  - Cargo tracking systems
- **Passenger handling**
  - Check-in desks and counters
  - Check-in systems and technology
  - Rapid transit systems (people mover)
  - Electric personnel carriers
  - Escalators and moving walkways
- **Health & Safety**
  - Cleaning and sanitation stations
  - Protective work wear

TERMINAL FACILITIES

- **Airport Parking**
  - Charging stations
  - Barriers and access equipment
  - Pay stations
- **Shopping, Retail & Duty Free**
- **Catering outlets**
- **Lounges**
- **Smoking areas**
- **Play areas**

MANAGEMENT AND INDUSTRY SERVICES

- **Terminal maintenance**
- **Terminal management**
- **Sustainable solutions and sustainability initiatives**
- **Consultancy services incl. outsourcing, privatisation and finance**
- **Associations**
- **Trade press, information services**

interDATA

DATA MANAGEMENT SYSTEMS AND SOLUTIONS

- **Data centre and server technology**
- **Cloud services**
- **Hybrid IT solutions**
- **Data exchange solutions**

ARTIFICIAL INTELLIGENCE

- **Robotics**
- **Unmanned vehicles and autonomous driving**

INFRASTRUCTURE AND TERMINAL MANAGEMENT

- **Building control**
- **Common user terminal equipment (CUTE)**
- **Communication systems**
- **Control room management**

PASSENGER MANAGEMENT

- **Electronic ticketing**
- **Automated passenger flow**
- **Seamless travel apps**
- **End-to-end baggage tracking**

OPERATIONS MANAGEMENT

- **Ground operations management**
- **Ground traffic management**
- **Maintenance management**
- **Planning, simulation and testing**

AIR TRAFFIC MANAGEMENT

- **Air Traffic Control**
- **Flight monitoring systems**
- **Drone Detection Systems**

BUSINESS MANAGEMENT SERVICE AND SOLUTIONS
- **Data analytics**
- **Business intelligence**
- **Risk management**
- **Financial management**
- **Cyber security**
- **Digital retail apps and e-commerce solutions**

interRAMP

AIRFIELD CONSTRUCTION
- **Planning and consultancy**
- **Apron and pavement design and construction**
- **Hangar design and construction**
- **Perimeter fencing**
- **Other construction and consultancy activities**

TECHNICAL INSTALLATIONS
- **Fuel farm equipment and technology**
- **Drainage and water treatment**
- **Power supplies and cabling**
- **Waste collection and treatment**
- **Standby power generators**
- **Meteorological equipment and weather stations**
- **Jet blast screens and deflectors**
- **Windsocks**
- **Bird control systems**

TECHNICAL SYSTEMS AND SERVICES (AIRSIDE)
- **Airfield lighting**
- **Navigation aids**
- **Electric charging points**
- **Other technical systems and services**

ENVIRONMENTAL IMPACT MANAGEMENT
- **Noise control**
- **Emission control solutions**
- **Sustainable solutions and sustainability initiatives**

PAVEMENT SERVICING
- **Runway, taxiway and apron surfacing**
- **Runway and taxiway maintenance**
- **Runway friction testing and de-icing**
- **Runway and taxiway cleaning, sweeping and rubber removal**
- **Marking and signage**
- **Surface treatment**

GROUND SUPPORT EQUIPMENT AND SERVICES
Aircraft handling
- Air starters and stored air (PCA) systems
- Aircraft de-icing and anti-icing
- Aircraft refuelling
- Aircraft towing
- Aircraft washing
- Catering trucks and equipment
- Power supplies
- Water and toilet carts
- Air conditioners, coolers and heaters

Aircraft docking and passenger boarding bridges

Baggage handling (airside)
- Baggage loading
- Baggage transportation

Cargo handling (airside)
- Conveying equipment and technology
- Loading systems incl. high-loader, lift-tables and cranes
- Mobile cargo handling systems incl. transporters, dollies, and ULD trucks

Passenger handling (airside)
- Aircraft access
- Passenger transportation
- Disabled passenger ambulifts and ambulances
- Unmanned vehicles (UV)

Airfield Service Equipment
- Crash, fire and rescue vehicles, equipment and services
- Maintenance incl. sweepers and mowers
- Winter service equipment

Aircraft maintenance
- Maintenance systems incl. scaffolding and test stands
- Aircraft towbars, jacks and tooling
- Jet engine transportation stands
- Aircraft recovery
- Fuel test equipment
- Ground supply modules

Fleet management

Other Ground Support Equipment and Services
- Consumables and fluids
- Miscellaneous handling equipment
- Accessories, fixtures, fittings and replacement parts

HEALTH & SAFETY
- **PPE incl. ear defenders, safety boots and clothing**
- **Safety equipment incl. fall protection systems and guardrails**
- **Safety barrier systems**
